## ENRICHMENT & HOT LUNCH PROGRAMS

11:00 AM-Noon  
(Hot Lunch available daily - choose as many days as you want)

Noon-1:00 PM/2:30-3:30 PM (Enrichment Program options)  
Registration for these Programs will be held in August 2018

## PARENT INVOLVEMENT

Parent involvement is important to The Glasser Preschool! All preschool parents are required to assist in at least two volunteer areas during the school year. Opportunities are available for both "Stay at home" and parents who work outside of the home. A parent advisory board governs Glasser Preschool. All preschool parents are invited and encouraged to attend the monthly preschool board meetings.

## PARENT INVOLVEMENT (CONTINUED)

**Gift Card Program** This program is a major fundraiser for the preschool and is mandatory for all families with children enrolled at Glasser Preschool. This program does not cost you any extra money. Each family is required to buy a minimum of \$200 gift cards each month. If you cannot participate in the gift card program on a monthly basis, we ask that you make a \$200 monetary donation to the school for the school year. Gift Card Program information forms will be mailed to you in August 2018.

**JUF Right Start Gift Vouchers**  
JUF Right Start is a program for young families from the Jewish Federation of Metropolitan Chicago. Go to [www.juf.org/youngfamilies](http://www.juf.org/youngfamilies) to determine if your child is eligible for this voucher. This program is not based on need.

## REGISTRATION INFORMATION

### Fees Due at Registration

**One Month's Tuition Deposit** Your one month's tuition deposit will be applied to the month of May 2019. Cancellation by May 15, 2018 will result in a refund of the one month's tuition and the non-temple member fee. After May 15th, the one month's tuition deposit will not be refunded unless the position is filled by a child on our waiting list.

**Supply Fee** A non-refundable supply fee is charged each semester. The first semester fee is due at registration. The second semester fee is due in January 2019.

**Non-Temple Member Fee** The non-Temple member fee of \$150 is due at the time of registration. This fee is paid once a year per family. If you join Oak Park Temple by September 2018, this fee will be applied to tuition.

## REGISTRATION DATES

January 15-21, 2018 - Oak Park Temple Members  
January 22-28, 2018 - Glasser Preschool Families  
January 29, 2018 - Open to the Community

## CLASS PLACEMENT

**Morning and Afternoon 4 year old Classes** Registered four-year olds will be divided equally between the morning (Tigers) and afternoon (Bears) class. The Director will conduct a lottery to determine class assignment if more people express a preference for one time slot than are spaces available. 1st Lottery: Temple members with enrolled siblings of different ages. 2nd Lottery: remaining Temple members. 3rd Lottery: current GPS non-temple members with enrolled siblings of different ages. 4th Lottery: remaining current GPS non-temple members. 5th Lottery: all remaining registered children .

**Afternoon Three Year Old Class** If there is sufficient enrollment, we will also be having an afternoon three year old class (Giraffes). If you are interested in this option, please indicate this on the registration form. This class will meet Tuesday through Friday from Noon to 2:30 PM.

**Wait Lists** Wait lists will be formed for any classes that are full. If your first choice class is full, your child will be placed on the wait list for that class and be registered for your second or third choice unless you cross out these choices on your registration form.

**Children with September and October birthdays** If your child has a September or October birthday and you would like them to be placed in the older class (i.e. in Lions/Zebras/Giraffe rather than Gan Katan or Tigers/Bears rather than Lions/Zebras/Giraffe), please register for their age correct class and indicate on the registration form that you are interested in moving your child up to the next age group. You will be contacted by the Director in early February regarding space availability and the appropriateness of the placement. Priority for all class placements will be given to children who meet the age deadlines.

**Children do not have to be potty trained.** When the child is ready, the teachers will work with the parents to make potty training a success.

Our daily routines are set up to encourage a comforting and familiar rhythm to our children's day. Classrooms have a Daily Plan, which is posted, in each classroom. Our days typically include the following:

- **Free Play/Choice Time.** This includes an art activity and Choices throughout the learning centers in the classroom with optional activities that frequently emphasize the week's theme.
- All children participate in **Clean Up Time.**
- **Circle/Group Time.** This includes songs, stories, math, science, movement, and other activities relating to the theme of the week. The frequency and length of group times are adapted to the age and developmental level of the children in the classroom.
- **Snack Time.** The children are encouraged to set up and Clean up their snacks. The snack will be posted daily.
- **Gross Motor Play.** We go outdoors daily if weather permits. If not, we play in one of our indoor gross motor areas.

## CURRICULUM

Our curriculum at Glasser Preschool is designed around the concept that children learn through play. Our classroom environment encourages children to make choices, develop a positive self-concept, and promote learning through experimentation and problem-solving. Our curriculum is emergent. It results from interactions between teachers and children with both providing ideas and developing them to create attractive and worthwhile themes. Teachers balance long range objectives with moment to moment opportunities based on child-teacher interactions and interests. "Developmentally Appropriate Practice" is the philosophy of doing the right thing for each child at the right time. Our developmentally appropriate curriculum provides for all areas of a child's development: social, emotional, physical, cognitive, language, and aesthetic. Teachers adapt curriculum plans to meet the wide range of individual needs and interests of all children in the group. Through play our children acquire skills in the five main developmental areas: Social and Emotional; Gross Motor; Fine Motor; Language &

Communication; and Cognitive. Each area of the classroom and the activities that take place during the day are designed to help children acquire the necessary skills in these areas.

An important component of our daily curriculum is Jewish. Not all of our children or families come from a Jewish background. Our staff is sensitive to this and we make every effort for our entire Glasser Preschool family to be comfortable with this part of our curriculum. Parent education newsletters are sent home throughout the year regarding the Jewish holidays and Hebrew used in the classroom.

## MISSION STATEMENT

The purpose of the Beatrice and Morris Glasser Preschool is to provide an educational foundation for young children including teachings of Judaism as embraced by Oak Park Temple B'Nai Abraham Zion.

Glasser Preschool promotes each child's physical, emotional, educational, ethical and social growth. Our curriculum is designed around the concept that children learn through play. Our classroom environment encourages children to make choices, develop a positive self-concept, and promote learning through experimentation and problem-solving.

Glasser Preschool enhances the Oak Park Temple community by providing religious, educational and social support for families with young children.

Glasser Preschool welcomes all children regardless of religious affiliation, and strives to promote acceptance and understanding of the benefits of diversity.

## NAEYC ACCREDITATION

Glasser Preschool is proud to be accredited by the National Association for the Education of Young Children (NAEYC) – the nation's leading organization of early professionals. To earn NAEYC Accreditation, Glasser Preschool went through an extensive Self-Study process, measuring the program and its services against the 10 NAEYC Early Childhood Program Standards and more than 400 related Accreditation Criteria. The program undergoes re-Accreditation every five years.
