Ralph's World is the mega-fun musical planet where kids rock rock rock and dance dance dance to their own and their parents' delight. It's the creation of **Ralph Covert**: indie rocker, songwriter, playwright, and children's book author. He's taken the same high-energy and super-melodic sense that he developed for his touring pop-rock band to kid's music- basically only the lyrics are changed for the ears of the innocent. His McCartneyesque style (both musically and his sense of charm) has won him hundreds of thousands of three-feet-and-under fans and their parents.

Masks required for everyone age 2 and Older
